SILVER TRAVERTINE

This highly regarded natural stone with authentic silver hues has a rich and noble appearance.

As the most popular of all the different types of travertine, it brings a unique natural harmony to its setting. The gray tones of Silver Travertine, which offers convenience through its structure, can be used in easy harmony with different colors in both indoor and outdoor applications.

Orijinal gümüşün rengine sahip olan bu taş, zengin ve asil görünüşü ile pek çok kişinin dikkatini çekmektedir. Farklı traverten çeşitleri arasında ilk sıralarda tercih edilen bu taş, kendine has bir doğallığa ve ahenge sahiptir. Yapı itibari ile oldukça kullanışlı olan silver traverten, gri rengi ile iç ve dış mekanlarda farklı renklerle kolayca uyum sağlayabilmektedir.
